Winter 2027 Program Comparison Guide

Finding the right fit for your family · Programs start January 2027

At West Coast Centre for Learning, every program is designed for neurodivergent learners and builds skills that benefit every learner. This guide is a starting point to help you compare our Winter 2027 programs and find a comfortable place to begin. No formal diagnosis is required, and our team is always happy to help you decide with a free consultation.

There's no wrong entry point. Many learners grow from one program into the next, and some take two at once. For example, SAS families often continue with PEERS® for Teens or Executive Function (EF) Skills Lab – AI Edition around age 12, and some teens take PEERS® for Teens and EF Skills Lab in the same term.

Small-Group Programs · Winter 2027

Program	Ages*	What they'll work on	Where	Sessions	Price (+ GST)	Funding (AFU)	How to join

**Suggested ages are a guide, not a strict cut-off. Full days, times and dates by location are on the next page. Prices effective January 1, 2027.*

Funding: All Winter 2027 small-group programs are eligible for BC Autism Funding (AFU) for participants under 18, and we offer direct billing. Learn more about funding.

Early registration: Groups run once minimum enrolment is met, so early registration is recommended. If a class is cancelled due to low enrolment, families will be notified at least one week before the start date and offered a transfer or full refund.

How to Join: Secret Agent Society and PEERS® for Teens

1 Reserve your spot · Complete the online form. No payment is needed yet.

2 Book your free intake call · Meet with your facilitator to make sure it's the right fit.

3 Get confirmed · Receive your welcome and payment details before the first session.

EF Skills Lab – AI Edition and THRIVE ADHD + Me: register directly on the program page. Have a question first? We're always happy to chat. **Book a free consultation**
